Re: SAFETY DAY - SPONSOR ADVERTIZING

Dear Prospective Sponsor

The 2011 Central Valley Chemical Safety Day (CVCSD) held in Bakersfield, CA was a tremendous success and well received by everyone who attended. CVCSD will again be held in Bakersfield at the Kern County Fairgrounds on April 5th, 2012. It will be an all-day event and we expect to exceed last year's attendance record. Over one thousand people took advantage of the educational opportunity provided by the Safety Day. This seminar/workshop is designed to provide education and training regarding the safe handling of anhydrous ammonia, chlorine, sulfur dioxide and other hazardous and flammable materials at refrigeration facilities, oil and gas producers, power generators and other industries. We are excited to offer you the opportunity of participating as a sponsor at this event.

The theme of the event is Safety Culture "Piecing It Together". Topics will include: Managing Mechanical Integrity, Effective Standard Operating Procedures, Incident Case Studies, How to Keep Up With Regulatory Changes, Basic Refrigeration and Aspects of Job Safety. There will be an emergency response demonstration, regulatory group panel discussions and more. Sessions in Spanish will also be offered.

As this is a "non-profit event", our intent is to provide the entire seminar without cost to attendees. All monies collected are to be used to fund this and future events. The committee consists of people from various industries, contractors, suppliers, consultants, regulators and educators who volunteer their time to make this event a success. Those involved with the organization do not receive compensation.

Levels of sponsorship are listed below along with a description of the sponsor benefits.

Platinum Sponsor	\$ 2500
Gold Sponsor	\$ 1500
Silver Sponsor	\$ 1000
Bronze Sponsor	\$ 500

## SPONSOR BENEFITS

You will have the satisfaction of contributing to a most worthwhile training event. As many of your staff as you wish may attend at no charge.

All sponsors will have their company names displayed on the agenda and throughout the day during slideshows.

Silver Sponsors will have a larger display of the company logo on the agenda and throughout the day during slideshows

Gold Sponsors will be more prominently displayed and will receive special recognition during the event.

Platinum Sponsors will have the most prominence, with the largest logos and specific recognition during the event. In addition, the exhibitor fee is waived for those sponsors who wish to take advantage of a table top display.

We have included an application form for you to submit along with your contribution. We look forward to your involvement and support. Please fill out the attached form completely so we may ensure our database is accurate. Thank you in advance for your help and participation.

Please send your contribution and completed form to:

CVCSO (Central Valley Chemical Safety Day)  
9630 Bruceville Rd., Ste 106 PMB 345  
Elk Grove, CA 95757

Please make checks payable to: Central Valley Chemical Safety Day

An invoice will be generated upon receipt of your check. If you wish to issue a Purchase Order for your support, please contact our office or email [corilom@sbcglobal.net](mailto:corilom@sbcglobal.net). If you have any questions, or if you are unable to sponsor this year, please contact our office by phone at (831) 297-2554 or by fax at (916) 647-9761. If you would like additional information regarding the event you can also visit our website at [www.cvcso.org](http://www.cvcso.org).

Thank you for your support. We look forward to another successful event and seeing you and your staff on April 5th 2012.

Sincerely,

Dan Starkey  
2012 Event Sponsor Chair
