CENTRAL VALLEY CHEMICAL
SAFETY DAY SCHEDULE
STANISLAUS COUNTY FAIRGROUNDS
900 N. BROADWAY, TURLOCK, CA

Thursday, November 2, 2017

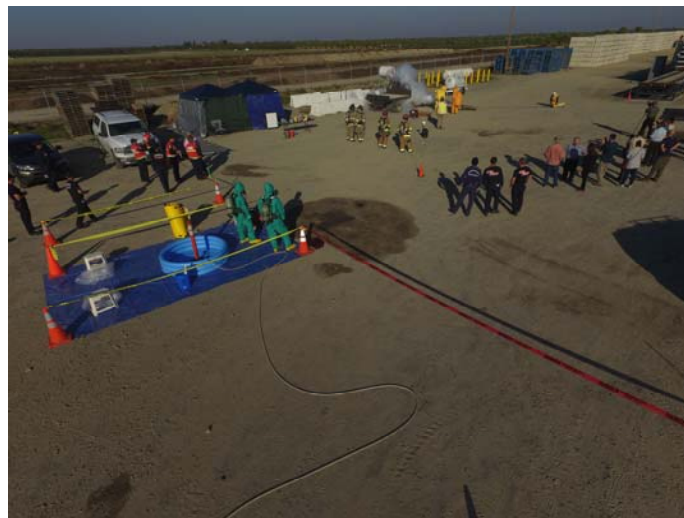

MORNING PRESENTATIONS

- 7:00 - 7:50 **Check In - Continental Breakfast**
- 7:50 - 8:00 **Welcome and Overview** - Alvin Lal, Stanislaus County Department of Environmental Resources & Todd Seely, E&J Gallo Winery - Event Co-Chairmen
- 8:00 - 8:50 **Health & Physiology of Hazardous Chemicals - Justin Stocker, Bronco Winery & Mario Cisneros, Riggs Ambulance Service** - What to expect when hazardous chemicals come into contact with the human body and how EMS will respond at your facility.
- 8:50 - 9:40 **Seismic Walkdowns - Sam Swan** - Earthquake Risk and levels of shaking intensity. Discussion of threat to facilities, common failure points during an event and possible mitigation options.
- 9:40 - 10:10 **Morning Break** - Visit the exhibitors in the demonstration hall, enjoy coffee & other refreshments.
- 10:10 - 11:45 **General Session in the Main Auditorium Continues & Breakout Sessions Begin**
- Workshop A Focus on Management**
- 10:10 - 11:45 **Respiratory Protection Compliance - Dr. Robin McKeegan, F.R.O.S.T.** - The Essentials / Changes / Trends and How to Make Sure Your Workers are SAFE.
- 11:00 - 11:45 **Inspection & Enforcement - Stanislaus County CUPA** - Will discuss the most common deficiencies found in a facility's ammonia refrigeration system. CUPA will also highlight enforcement actions imposed against facilities that are out of compliance.
- Workshop B Focus on Operators**
- 10:10 - 11:45 **Hands On - For the Operator** - Various "hands-on" activities will take place building upon previous lessons offered during our safety days.
- Workshop C Focus on Emergency Response - Presented by Members of the Modesto Fire Department**
- 10:10 - 11:00 How industry can work with their local hazmat team to resolve an incident at their facility.
- 11:00 - 11:45 Level A Obstacle Course - Challenge your skills under the direction of Fire Department professionals.

GENERAL SESSIONS IN THE MAIN AUDITORIUM

- 10:10 - 11:00 **Program Quality Verification (PQV) - A Panel Discussion**
- 11:00 - 11:45 **Chemical Monitoring Equipment and Requirements - Andy Neptune, CTI Engineering** - Demystifying sensor calibration, output functions and requirements, troubleshooting, display panel techniques and vent relief monitoring are just some of the subjects that will be covered during the presentation.
- 11:45 - 12:45 **LUNCH - CATERED LUNCH WILL BE SERVED**
- 12:45 - 2:00 **Fruit & Nut Bowl**
- 2:00 - 2:50 **The Consequences of NOT Knowing What You Don't Know - Manny Erlich, Chemical Safety Board** - Every individual that takes on the responsibility of being part of a coordinated function (regardless of their assigned goals), generally brings with them specific expertise. A constant that every individual must come to grips with is realizing that they don't and can't know it all. Thus NOT knowing what one does not know, is vital and can save lives.
- 2:50 - 3:15 **Afternoon Break** - Visit the exhibitors in the demonstration hall.
- 3:15 - 4:00 **Live Ammonia Release Training Recap - Gary Smith & Others from the Live Release Training Session**

A recap of the live ammonia release training and demonstration that took place on Wednesday will be presented. Key Roles in the incident response will be described and discussed, to allow attendees to better understand the relationship between industry, fire and regulatory response when an incident takes place.

AGAIN THIS YEAR, PLATINUM SPONSORS WILL HAVE THE OPPORTUNITY TO SEND A TEAM TO PARTICIPATE IN THE LIVE NH3 RELEASE & HANDS ON TRAINING-DEMONSTRATION WITH LOCAL FIRE DEPARTMENTS AND COUNTY AGENCIES ON NOVEMBER 1ST 2017.

THESE SPACES ARE LIMITED AND WILL BE FILLED ON A FIRST COME FIRST SERVED BASIS.

**CALL OUR OFFICES FOR MORE INFORMATION
831-297-2554 OR EMAIL CORINESCHRECKPSIG@GMAIL.COM**

Registration Form **DEADLINE October 27, 2017**
